DETAILED ACTION

Allowable Subject Matter

1. Claims 16-43 are allowed.
2. The following is an examiner's statement of reasons for allowance: None of the prior art of record disclose in their entirety or in combination the claimed two measuring electrodes extending into the container; and a compensation electrode, which is so arranged and connected that a disturbance current flowing between one of the at least two measuring electrodes and the compensation electrode due to conductive accretions on the lid of the container is drained away via the compensation electrode; wherein the at least two measuring electrodes and the compensation electrode are secured to the lid container.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. The prior art of record and not relied upon is considered pertinent to the applicant's disclosure as follows. Ellinger et al. (US Pat. 5,534,708), disclosing a liquid detector.
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Davetta W. Goins whose telephone number is 571-272-2957. The examiner can normally be reached on Mon-Fri with every other Fri. off.
